Our relay team ran strong at the Western Athletics Carnival and did themselves and our school proud. Our changes were like poetry!

We are now an Early Action for Success school and as a result of this initiative, we will have the capacity to focus more closely on the literacy and numeracy progress of our Kinder, Year 1 and Year 2 students.

Happy Father’s Day to all of our dads!

Shelley Darcy, Principal

OUTDOOR SPORTS
Last Friday, 29th August we were very fortunate to have Matt from Burrendong Sport & Recreation visit to play some “Outdoor Sports” with our students.

We are very appreciative of the time he spent here and the skills he taught everyone in such an enthusiastic manner.

ATHLETICS CARNIVALS
On Friday, 15th August I went to the Dubbo District PSSA Carnival at the touch footy ovals near the Dubbo Macquarie River. I ran in the 100 and 200 metre sprints. In my 100 metre heat I came 4th and made it to the finals and came 5th in both finals. Then my mum took my brother, sister and I to the mall.

Last Friday, Stuart, Alan, Clarissa and I competed in the P6 relay at the Western Region Athletics Carnival in Dubbo. We tried our hardest and we learnt that we might have to change the order of our runners.

HEALTHY BREAKFAST
On Wednesday, 17th September (the last week of term) we will be offering a Healthy Breakfast at school from 8:10 am. The cost is a gold coin donation, and funds raised will go to Stewart House.
ZOO SNOOZE EXCURSION
Last Tuesday we went on a ZooSnooz excursion. Some of us got to go in a tent with our best friends.

We also got to go on the walk through the zoo at night time. We saw the dingoes and we got to feed a variety of different breeds of wallabies. We saw a koala which had a baby and some quokkas and echidnas too.

We also saw the biggest rhino in the world - the Greater One Horned Rhino. Plus we got within a couple of metres away from a Sumatran Tiger while it was being fed.

We fed carrots to the rarest horse in the world, the Przewalski’s.

HEALTHY HAROLD VISIT
Last Monday the primary and infants students of Eumungerie Public School went to Healthy Harold.

The teacher and Harold taught us about cyber bullying and the danger of the internet world. They taught us how easy it is to get yourself in big trouble. We also got to play some games and bought some items from Harold’s shop.

The high tech van is pretty amazing with how it keeps people occupied with the lessons.

ROAD SAFETY TIPS
Transport for NSW has provided us with some great information regarding road safety in the school zone. Some important points that we would like you to keep in mind are:

- Make sure your children are securely buckled into approved child car seats or boosters. Children up to 7 years must be in a car seat or booster seat, and not ride in the front seat, unless all other back seats are occupied by children younger than 7 years.
- Stick to the 40km/h speed limit in the school zone, as young children can be easily distracted and unpredictable.
- Look for other cars pulling out
- Always give way to children and adults on foot.
- Avoid dangerous manoeuvres such as U-turns and three-point turns.

Thank you for taking care!
